

## **St Peter's Henleaze: Payments by bank transfer**

In order to reduce bank charges it would be preferable for you to pay St Peter's by a direct payment from your bank account to the PCC's account.

The details you need in order to carry this out are as follows:

**Bank/Branch: Lloyds, Westbury on Trym**

**A/c Name\*: St Peters P C C**

**Sort Code: 30-99-38**

**A/c no.: 01313793**

**Reference: [as appropriate] (examples: Donation towards sign, Sisters, etc.)**

I would be grateful if you could always email me with details of any payments you make, so that I can check the credit has proceeded correctly. Also please state if you would like the donation Gift Aided. My email address is: **stpetershtreasurer@gmail.com**

Thank you

**Alistair Robinson  
Honorary Treasurer  
St Peter's Henleaze**

\*NOTE: banks are now attempting to match account names, so be careful to enter the name without apostrophes, and include spaces between P C C. If that fails you can try adding " NO 1" after P C C. This is space followed by letters N and O followed by space and digit 1. Always check you have entered the sort code and account numbers correctly. If you are certain these are correct, it is OK to proceed with the payment (as long as your online banking allows).
